Recruiting an experienced, accredited Executive Coach, ideally occupational psychologist/ significant OD background

Due to expansion and on-going project commitments Wilson Sloan Consulting Ltd requires an additional full time coach to join the existing team. The ideal candidate is likely to meet the following criteria:

- A recognised Executive Coaching qualification and accreditation
- A solid Organisational Development background
- Experienced in the design and delivery of leadership development initiatives
- Experienced in facilitation and team / group dynamics
- Work competently with a range of coaching models and psychologies
- Undertake on-going CPD and coach supervision
- A detailed understanding, both theoretically and experientially, of corporate systems
- Evidenced experience of successful project and client management
- Significant experience in working with senior staff in an assessment and development capacity
- BPS qualified and experienced across a range of psychometric tools
- Initiative, integrity, enthusiasm, ethics

Please note that this is a full time employee post (part time or term time working may also be considered). The majority of the work for this role is currently in Northern Ireland.
